

Knitting

On behalf of Leigh View Patient Club, we would like to say a huge **thank you** to the lovely knitters amongst our patients.

Did you know that in the past year, approximately 1000 knitted items have now been donated by patients from Leigh View?

These items are passed on to the baby units of the local hospitals who have been extremely grateful.

If you would like to get involved and knit for us too, please join in! Please ask for knitting patterns at Leigh View Reception or on the patient club website www.leighviewpatientsclub.co.uk

Please hand in your knitted items to reception to pass along to the Patient Club. When you do, please let us have your name (if you don't mind), so that we know who to thank !

Baby bonnets

Blanket squares

Baby cardigans
